Plagiarism is a form of cheating that occurs when a student uses someone else's words or ideas without giving credit. It is considered a serious offense in most colleges, and it can lead to failure, suspension, or even expulsion. Plagiarism can be accidental or intentional, and it's important to know how to avoid it. You can use Similarity Reports to help you detect plagiarism, but you should never rely on these reports alone. You still need to use your own judgment when determining whether a passage is plagiarism or not.

Plagiarism occurs in a variety of ways, from direct quotations <u>Do my online course</u> to the use of paraphrased phrases. It can also include referencing sources improperly. For example, if you quote directly from an academic paper, you must include the quote in quotation marks so that it's clear to your professor that you're using someone else's work. Many students get caught for plagiarism because they're not familiar with the rules of citation. Others are simply too lazy to follow the rules and just copy and paste from another source. The most overt type of plagiarism is submitting someone else's work as your own. This can happen in any subject, from submitting your older sister's research paper for your English class to turning in an essay written by someone else. It's also important to note that this is not the same as writing fan fiction, which typically doesn't constitute plagiarism since it doesn't imply that you own or control those characters' thoughts and ideas. Another type of plagiarism that's often overlooked is finding an essay answer website and handing it in as your own work. This is also considered plagiarism because the ideas and arguments in the essay are not your own. This has

become particularly common in recent years with the proliferation <u>do my course online</u> of these websites. However, you should be aware that there are reputable companies that offer this service and will not plagiarize your work. If you're considering hiring one of these companies, make sure they're reputable by checking customer reviews.
